

OH, SAY CAN WE SELL: MADE-IN-THE-USA GOODIES

PEE WEE PLANTERS

America loves instant gratification, and these indoor gardening kits are perfect for kids who can see signs of their flower garden or fresh herbs in just days. Made in San Francisco from environmentally friendly materials, the indoor kits help reduce fossil fuel use and CO₂ emissions. The peapod-shaped planter tray has three planting pots, a trowel, soil, and three packs of organic seeds (sunflower, basil, zinnia). > (415) 839-9971, www.GreenToys.com

SERENE THEMES

Sending a sentiment that provokes a pause for reflection is not always simple. Allow Expressions By Lauralee cards to do it for you. The company offers an extensive collection featuring images of flowers, winding pathways, running streams as well as inspirational and seasonal themes. Made in California, each card is individually wrapped in a recyclable clear bag. > (866) 599-9055 www.eblCards.com

A HUNK TOY

Did you know that "a hunk toy" is an anagram of thank you? Don't worry, your customers don't have to go the trouble of rearranging letters into an anagram to find another way to express gratitude. They can use balloons from Anagram, the Minneapolis-based maker of foil balloons. Every Anagram artist is inspired by emerging trends in color, icons and patterns, as well as licensed characters and big screen events. > (800) 554-4711, www.AnagramBalloons.com

FUR YOUR FRIENDS

What makes dogs hip, cats cool and pet lovers pleased? Big Paw Designs' lead-free pewter charms do. The Dallas-based company also makes magnets, bumper stickers, bowls and pet picture frames. > (888) 506-1409, www.BigPawDesigns.com

BACK TO THE GRIND, HAPPILY

Who doesn't crave the scent of freshly brewed coffee? Alice's Cottage offers mug mats and hot pads filled with coffee beans that release java aroma when a cup is placed upon them. Take your coffee craving even further with note-pads and gift-totes offered in cappuccino, mocha and cafe au lait motifs. These coffee-inspired decor products can be bundled together in a value-packed gift set, complete with coffee. > (800) 288-7977, www.AlicesCottage.com

RAG TIME

The ladies on "The View" loved 'em and now your customers can get their hands on Adorable Kinders dress-up dolls. Made from soft cloth, these dolls are 100 percent cuddly soft and perfect snuggling companions. Each doll is made in the Adorable Kinders, Winter Springs, Fla., workshop. All dolls and their clothes are washable. Make learning fun with the Internet key-code that comes with each doll, so your youngest customers can join the online eSchool. > (800) 393-7660 www.AdorableKinders.com

DARK SECRETS

Amano Chocolates is an award-winning chocolatier nestled up in Utah's Wasatch Mountain Range in the Rockies. They live up to their name — amano means "by hand" and "they love" in Italian. The small artisan chocolatier makes small batches of its bars and has just started selling wholesale, so get in early! > (801) 369-5811, www.Amanochocolate.com/wholesale/

MAKES SCENTS

Give a little extra oomph to any flower arrangement by adding ScentStems from EnviroScent. Infused with pure fragrance oils, the Atlanta-based company created the ScentStems to keep your flowers smelling fresh-cut for weeks. Bouquets will outlast the competition, increasing customer loyalty and the bottom line. The stems consistently emit a natural fragrance and blend with any floral arrangement. > (866) 435-1832, www.EnviroScent.com
